**PETITION TO SUPPORT SB147, AN AMENDMENT TO PROTECT AGRICULTURE  
LANDOWNERS**

1. The Constitution of the U. S. protects and grants our Private Property Rights. State and Local Governments should not violate our guaranteed rights.
2. It will protect ranchers from abuse by local governments.
3. Allow owners to develop land as it is necessary in order to survive and conduct a profitable farming operation.
4. Ranchers should be respected for their ownership and working their lands for generations, the paying of Property Taxes and Insurance, and the hardships they have endured to keep their operations functioning.
5. Ranchers should be protected from nuisance laws and regulations that are influenced by outside entities, and people that have no knowledge of Agriculture.
6. The "taking of agriculture land" should not be utilized to accomplish open space objectives.
